

ALL THE GOOD STUFF

Issue #3 / Summer 2015/16
Next issue Autumn 2016 available early Autumn

Welcome to the 3rd edition of ATGS. Our Summer issue sees the addition of the communities of Iluka, Cowper and Maclean to your guide, giving you even more range across our glorious Clarence Valley.

Iluka can be reached via road or boat and is a great day trip via the ferry from Yamba. Start your day with a spot of retail therapy at Siberia, or if you'd like to souvenir some local art, wander across the road to The Emporium where you'll find some whimsical creations (wearable or for your wall) and some fine paintings, drawing and photography. Follow this with a delicious cake and coffee or a lovely lunch next door at The Laneway Café.

The team at Irons & Craig in Yamba have some great stuff happening over summer so make sure you call in, and while you're there try one of their house blend coffees or delicious homemade jams. Then head out to visit Island Collective just off the Angourie Rd. You will be surprised but you won't be disappointed.
